## Parent's Pledge for Safe Teen Driving

I pledge to make sure my teen always buckles his/her seat belt.

I pledge to limit my teen's nighttime driving.

I pledge to restrict the number of passengers in his/her car.

I pledge to practice driving with my teen and coach him/her to be a better driver.

I pledge to help my teen learn and follow our state's driving laws.

I pledge to set a good example of safe driving. Starting today, I declare the driver's seat a "no cell phone zone."

I will work on safe driving with my teen. We will talk about it—and then make an agreement.

I will make this happen.

I pledge this.

I love my child. So I pledge this.
